# ABOUT US

**We are a well-respected and highly skilled organization operating within the dredging, oil, and gas industries in Nigeria. With our operational base located in Ajah, Lagos, and our administrative headquarters situated at No. 107 Ailegun Road, Lagos, we specialize in the trading and supply of premium crude oil products, particularly Bonny Light Crude Oil (BLCO) and Forcados Heavy Crude Oil (FHCO). First-rate service and solid client connections have always been Uwaoma Marine Dredging LTD.'s top concerns. We have been more and more active throughout the years, developing our ability to support international commerce and thereby demonstrating our leadership in the worldwide oil market. Our definition of ourselves is knowledge, consistency, and dedication to excellence in service.**
